Editor—Thomas W. Kaminski, PhD, ATC, FACSM

Invitation to Submit a Manuscript

Athletic Training and Sports Health Care: The Journal for the Practicing Clinician is now accepting submissions. Take advantage of this opportunity to publish your important clinical research and information in this ground-breaking new bi-monthly journal with a focus on the sports health care professional.

The mission of the journal is to provide a forum for the dissemination of contemporary athletic training and sports health care information and guidance to clinicians involved in a variety of allied health professions. Primary emphasis will be on the clinical relevance of information to the practicing sports health care professional. The journal publishes peer-reviewed articles including original research, case reviews, evidence-based reports, clinical columns, and literature reviews from a variety of sports health care disciplines. Practice areas include: Clinical Education, Emergency Medicine/Trauma, General Medicine, Injury Assessment/Evaluation, Orthopedic Management, Pain Management, Pharmacology, Therapeutic Interventions, and Wound Care.

Manuscript Requirements: All manuscripts will undergo peer review. Submitted manuscripts should adhere to the *AMA Manual of Style*, 10th Ed. (2007). Manuscripts should comprise no more than 16 pages narrative, excluding references, figures and legends, and tables. Guidelines for submission can be accessed at www.atshc.com. Manuscripts can be submitted at www.RapidReview.com.
